

Painful bladder syndrome/interstitial cystitis Anna Rosamilia Urogynecologist; Best Practice & Clinical Obstetrics and Gynecology Vol. 19 No. 6 pp. 843-859 2005

1. Define PBS/IC using information from the International Continence Society (ICS).
2. Is there gender bias?
3. What are the key elements of the PBS/IC diagnosis?
4. What are the main symptoms?
5. What are the key cystoscopic findings?
6. In addition to a chiropractic spinal exam and reduction of subluxation; what other conservative treatment strategies exist?
